”CUSTOMIZED CIGAR ROLLER EVENT INFORMATION”

It would be my pleasure to be of service to you and start building a business relationship with my "**Customized Cigar Roller Events**" for all of your special occasions. Allow me to introduce myself. My name is Frank Paul Cangemi and my specialty is "**Customized Cigar Roller Events**".

I am the proprietor of my cigar company by the name BNF Escapades, Inc. I am an authorized factory agent for our cigar factory Gran Reserve Cigars.

Listed below is information about my "**Customized Cigar Roller Events**" and what you are to expect from me. At your leisure please peruse my information and/or website. At your next function if you are looking to impress others and/or do something really unique, really different -- May I suggest my "**Customized Cigar Roller Events**".

A "**Customized Cigar Roller Event**" is **entertaining** and **adds spice** to any occasion. It is something very different for people to view and take part in. It's fun and educational. I cut and light the premium cigars for your guests. I inform your guests about what tobacco is being used and describe what procedure is being performed to hand roll these premium cigars by the "Maestro" Tony Alvarez. We supply all the tobacco / cigars necessary for your special event. Additionally we supply our own portable cigar roller table cigar mold presses and various cigar cutting tools. Also supplied are self sealing bags to provide freshness for cigars if a take home cigar is requested. Matches and cigar literature will be available. A portable lantern is also supplied if remote lighting is required.

Frank Paul Cangemi or associate will be present with cigar roller(s) at all "**Customized Cigar Roller Events**" to share "support, education and maintenance".

A "CUSTOMIZED CIGAR ROLLER EVENT" IS UNIQUE!!!

I have the ability to supply all of my factories private labeled cigars as well as any brand name cigar on the market. I can also locate **rare** and hard to find **cigars**. My "Maestro" Tony Alvarez and I are willing and able to serve "inside" as well as "outside". A majority of my "**Customized Cigar Roller Events**" are held outside where smoking is permitted. However, some "Events" are held inside just as well.

"HAVE CIGAR – WILL TRAVEL”

It will be our pleasure to serve you with our "**Customized Cigar Roller Events**" for such occasions as:

- Weddings

or both at the same time would be just fine!

”ALL HAVE "M I R T H A N D M E R R I M E N T " "

**PREMIUM TOBACCO + PREMIUM “MAESTRO”
= PREMIUM SATISFACTION!!**

Please utilize me as another means for you to perform your job. All you have to do is call and it will be our pleasure to serve you.

Thank you!!

HOW WE WORK OUR “CUSTOMIZED CIGAR ROLLER EVENTS”

What we had learned after performing our first "**Customized Cigar Roller Event**" 10 years ago, is to bring "X" amount of these premium hand rolled cigars "Pre-Rolled". This alleviates the initial "on rush" demand and facilitates the "line moving" due to time restraints. These "Pre-Rolled" cigars are the same blend tobacco as we use at all of our "**Customized Cigar Roller Events**". They are freshly hand rolled the day before your special event. With that said, my "Maestro" can then leisurely hand roll the remaining premium cigars for the guests/clients smoking pleasure and for all to see and enjoy.
